

my colleagues to support the hospitals in each district in this country by helping stroke patients and spreading awareness about stroke risk factors and treatment.

WADSWORTH CONTROL SYSTEMS

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 3, 2014

Mr. PERLMUTTER. Mr. Speaker, I rise today to recognize and applaud Wadsworth Control Systems for being honored with the Business Recognition Award given by the Jefferson County Economic Development Corporation.

The Business Recognition Award is given to a Jefferson County company which shows growth in employment, sales and capital investment in the last year.

Wadsworth Control Systems is a family owned and operated company and is one of the oldest and reliable environmental control companies in North America. The company manufactures climate controls, energy curtains and vent automation for greenhouses around the world. Wadsworth Control Systems is constantly innovating to produce the best product for their customers.

I extend my deepest congratulations to Wadsworth Control Systems for being honored with the Business Recognition Award from the Jefferson County Economic Development Corporation. I thank you for your commitment to high standards, innovation and quality products.

TRIBUTE TO TONY COLLINS

HON. TOM LATHAM

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 3, 2014

Mr. LATHAM. Mr. Speaker, I rise today to recognize and honor Clive Assistant Fire Chief Tony Collins of Dallas Center, Iowa, for his lifesaving efforts on March 14, 2014.

Don Reese, an 83-year-old Pomeroy resident, was enjoying a Friday night with his daughter-in-law at a Waukee establishment when tragedy struck. Near midnight, Don fell to the ground unconscious after experiencing a severe heart attack caused by complete blockage in two major arteries. As the bar patrons' mood shifted from relaxed to panic, it was Mr. Tony Collins, at the bar celebrating his 53rd birthday, who took the situation into his own hands.

Mr. Collins immediately began mouth-to-mouth resuscitation while directing four other customers to check for vital signs and perform chest compressions. For nearly fifteen minutes, Tony and his team continued to work on resuscitating Mr. Reese with no signs of hope. Finally, Don regained his pulse and began breathing again, ultimately conscious and alert by the time the ambulance arrived. There is no doubt that Tony's quick thinking and heroic actions saved Mr. Reese's life that night.

Mr. Speaker, Assistant Fire Chief Collins' instinct and brave actions to save a fellow Iowan's life embody the selfless attributes we all should strive for. His extraordinary re-

sponse to this life-threatening situation should give us all pause as we offer gratitude to our local heroes. It is a great honor to represent Tony in the United States Congress, and I invite my colleagues in the House to join me in congratulating and thanking him for his outstanding performance and commitment when it truly mattered most.

SAVE AMERICAN WORKERS ACT OF 2014

SPEECH OF

HON. JOHN D. DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 2, 2014

Mr. DINGELL. Mr. Speaker, I rise in opposition to H.R. 2575, the so-called Save American Workers Act. This is yet another attempt to chip away at the Affordable Care Act and it should be rejected. Just this week we saw 7.1 million people enroll in a health plan through the marketplaces, which met the goal set by the Obama Administration. For many people, this is the first time they have had access to quality, affordable health insurance. We should be building on the successes of the law, rather than working to turn back the clock.

There is much misinformation regarding the responsibilities of employers under the ACA. The law requires most employers to offer health insurance to employees who work more than 30 hours a week, and they must pay a penalty if one of these workers gets a subsidy through the marketplace. The threshold was set at this level because a large share of companies employ their workers for much more than 30 hours a week, and they would have to significantly restructure their business model and drastically reduce their hours to avoid their responsibility under the law. According to the Center on Budget and Policy Priorities, eight percent of employees work between 30 and 34 hours per week, but 43 percent of employees work 40 hours per week. Therefore, CBPP concludes that five times as many workers are at risk of having their hours cut if this legislation was signed into law.

The Congressional Budget Office projects H.R. 2575 would reduce the number of people receiving employer based coverage by 1 million, and would increase the number of uninsured by 500,000. This would be a drastic step backward from the progress we have seen enrolling millions of Americans in health coverage. Another claim made by my friends on the other side of the aisle is that this provision of ACA is leading to an increase in part-time work, when nothing is further from the truth. In fact, CBO concluded in February that "there is no compelling evidence that part-time employment has increased as a result of ACA."

This bill would cause more problems than it purports to solve. I urge my colleagues to vote down this misguided legislation.

RECOGNIZING INDIANA LEGISLATORS: SENATORS ALLEN PAUL AND JOHNNY NUGENT

HON. LUKE MESSER

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 3, 2014

Mr. MESSER. Mr. Speaker, I rise today to recognize the careers of two extraordinary Indiana legislators: Senators Allen Paul and Johnny Nugent. These two friends have served the state of Indiana for decades, and I want to personally thank them for all of their hard work and recognize them for their many accomplishments.

Let me tell you a little bit about Senator Allen Paul. Allen volunteered for the U.S. army in 1967 and is a decorated Vietnam Veteran. He was awarded the Bronze Star for saving a man's life and also earned a Combat Infantry Badge and four Air Medals. After being honorably discharged from the Army, Allen was elected to the State Senate in 1986 where he was a tireless advocate for military members and their families. He passed important legislation to help veterans receive a college degree and supported legislation to offer in-state tuition for veterans.

Senator Paul has the distinction of being the first legislator from Eastern Indiana to serve in a leadership position within the caucus. During his 28 year tenure in the Senate, He served as Majority Whip, Chairman of the Insurance Committee and Chair of the Financial Institutions Committee. His political savvy and institutional knowledge will certainly be missed by his colleagues in the State Legislature.

Senator Paul's dear friend Senator Johnny Nugent has also decided to retire after more than 30 years in office. He too is a veteran of the U.S. Army and Army Reserve. At the age of 26, Johnny was elected Dearborn County Commissioner—the youngest commissioner ever elected in Indiana. As a State Senator, Johnny held numerous leadership positions including Majority Floor Leader, Chair of the Agriculture and Small Business committee and ranking member of the Insurance and Financial Institutions Committee.

Senator Nugent has been a tireless defender of the 2nd Amendment and served two terms on the NRA's Board of Directors. The only individual in Indiana to serve on the board. During his tenure in the Senate, he successfully sponsored Indiana's "Castle Doctrine," as well as the nation's first lifetime concealed carry permit. Senator Nugent is also known for his involvement in his local community. He is a member of the Dearborn County Chamber of Commerce and the Southeastern Indiana Shrine Club. He is a successful small business owner and ran Nugent Tractor sales of Lawrenceburg for decades.

Both Allen Paul and Johnny Nugent serve as shining examples of what it means to be a public servant. I ask the entire 6th Congressional district to join me in recognizing these two outstanding Hoosier legislators. I have no doubt these great men will bring the same commitment, dedication, and enthusiasm they had for serving their constituents and their communities to the next chapter of their lives.
